Frederick Roy Martin, Esq.
Bronxville, N.Y.

Dear Sir:

The medal for the Deliverance of Metz, which your thoughtfulness has added to the collection of our Society, has just been transmitted to us by Mr. Langdon. Thank you very much indeed. We appreciate your generosity. And if you should have an opportunity to visit our Museum and will make yourself known, I shall take pleasure in showing you some of our treasures which may not be on exhibition at that time.

Very truly yours,

Secretary
